CALISTOGA

BROUGHT TO YOU BY:

STERLING
VINEYARDS

Nestled in the heart of Napa Valley, Calistoga Wine Country is a haven for wine lovers and outdoor enthusiasts alike. Known for its small-town charm and big, bold wines, Calistoga offers a unique blend of relaxation and adventure. The region's volcanic soil and Mediterranean climate create the perfect conditions for growing grapes, resulting in rich, flavorful wines that have put Calistoga on the map as a premier wine destination.

Visitors to Calistoga Wine Country can indulge in a variety of experiences, from wine tastings at captivating wineries to relaxing spa treatments using the area's natural mineral waters. The region's volcanic soils and diverse terroir contribute to the distinct flavors found in Calistoga wines, making them a favorite among wine enthusiasts. Beyond wine, Calistoga offers a range of outdoor activities, including hiking, biking, and hot air balloon rides, all set against the stunning backdrop of rolling vineyards and mountain vistas.

HIKING

Calistoga and the Napa Valley, renowned for world-class wineries and stunning landscapes, also boast a network of hiking trails that offer visitors a chance to explore the region's natural beauty up close. Among these trails, **Bothe-Napa Valley State Park** stands out as a prime destination for hiking enthusiasts seeking a mix of scenic views, diverse terrain, and historical landmarks.

Amid the lush greenery of the valley, Bothe-Napa Valley State Park offers over 10 miles of well-maintained hiking trails that wind through towering redwood forests, tranquil creeksides, and rolling hills. Whether you're a seasoned hiker or a novice adventurer, there are trails suited to every skill level, making it an ideal destination for families, solo explorers, and groups of friends alike.

BIKE RIDE

Experience the beauty of Calistoga's wine country like never before with a bike ride through the vineyards. Pedal along scenic trails that wind through beautiful vineyards, offering stunning views of picturesque landscapes. During the spring, the mustard seed blooms, painting the vineyards with vibrant yellow flowers and creating a breathtaking backdrop for your ride.

One popular biking route is the **Silverado Trail**, which runs parallel to the main highway and is dotted with renowned wineries along the way. Another favorite is the **Calistoga Bikeway**, a designated path that takes cyclists through the heart of Wine Country, passing by charming wineries and offering glimpses of the region's natural beauty. Whether you're a casual rider or a seasoned cyclist, biking among the vineyards in Calistoga is a truly unforgettable experience.

MUSTARD SEEDS

During the mustard seed blooms in Calistoga, the landscape transforms into a sea of brilliant yellow flowers, creating a stunning contrast against the backdrop of vineyards and hills. This spectacle offers a visual feast for visitors and attracts a variety of wildlife. While touring the area, you may spot birds such as finches, sparrows, and blackbirds feasting on the mustard seeds. Rabbits, deer, and other small mammals drawn to the lush vegetation are also a common sight.
